

30 W RECHARGEABLE LED OUTDOOR FLOODLIGHT

Prendeluz S.L.

Precio: **48,45€**

Power supply 230 V / 445 mA

Otras características

- Alimentación: 220 - 240 V
- Color: Plata
- Color de luz: Blanca cálida
- Dimensiones: 450 x 220mm
- Ip: 20
- Led: 198PCS/2835 modelo Sanan
- Longitud: 450mm
- Lúmenes: 8300 Lm
- Material: Aluminio
- Potencia: 95 W
- Temperatura: 3000K

Descripción del producto

LED industrial hood. This luminaire is designed to illuminate large surfaces and spaces with great heights, for industrial or work use, such as industrial warehouses, workshops, factories, gyms, car parks, shopping centres, etc. It emits a warm white light thanks to its 3000 K and its luminous intensity is 8300 Lm. It has a power of 95 W, a power supply of 220 - 240 V and a current of 445 mA. Composed of a screen made of silver-coloured aluminium and the integrated LED (198PCS/2835 Sanan model), where its beam angle is 120°. The overall dimensions are 450 mm wide and 200 mm high, it also includes a small washer at the top for greater security of fastening. The protection rating is IP20, so it is recommended for indoor use at temperatures between -10°C to 40°C. With power factor PF>0.9, it also has a service life of 30,000 hours. With CE & RoHS certificates, Eco model. Find more industrial lighting in our online shop.?
