- Tomas de enchufe: 2

Descripción del producto

Multiple plug. Flat adapter with 2 plug sockets, 1 earthed wall socket and illuminated on/off switch. This practical plug multiplier makes all connected electrical appliances work with two outlets at your service. The on/off switch of this adapter is designed to eliminate energy waste, no need to unplug it when not in use, just switch the switch to off mode, the adapter is white in colour and the material it is made of is polypropylene. It has a maximum power of 3680W, 16A and a voltage of 250 Volts. The diameter of the pins is 4`8mm, which gives it child protection.
