Descripción del producto

This round LED downlight is recessed and adjustable. Finished in white, made of aluminium and PC. Its design allows the spotlight to be directed towards the desired point, making it perfect for living rooms, corridors, halls or commercial premises, anywhere you want to highlight with a point of light. With a power consumption of 4W, voltage of 230V and 50Hz working frequency. It has a colour temperature of 3000K, 200 lumens and PF>0.5, providing a warm light tone. It has IP20 protection, CE & RoHS certification and includes an installation manual. The useful life of its SANAN LED chip is 30,000 hours. The dimensions are 76 mm diameter, 55 mm height, 60 mm cut-off dimension.
