Descripción del producto

White Flexy lamp with clamp for E14 socket, its whole body is made of resistant aluminium, so its clamp ensures a total subjection and adherence to any surface. It is flexible in any direction, making it a practical luminaire to place on a bedhead, desk or bedside table. The cap measures 63 mm, the rest of the lamp measures 100 x 260 mm. The luminaire is silver in colour, but is available in more colours. It has a maximum power of 40W (if using E14 halogen bulb), we recommend the use of LED bulbs.
