Descripción del producto

White flexo lamp with clamp for E14 socket, Flexy model. Its whole body is made of resistant aluminium, so its clamp assures a total subjection and adherence on any surface. It is flexible in any direction, making it a practical luminaire to place on a bedhead, desk or bedside table. The white cap (same as the clamp) measures 63mm, the rest of the lamp measures 100 x 260mm. The body is silver coloured. Available in more colours.
