- Ip: 20
- Lúmenes: 8 Lm
- Medidas: 125 x 80 x 50 mm
- Potencia: 0.4 W
- Temperatura: 4000 K

## Descripción del producto

Owl LED night light with twilight sensor. In blue and white, this owl-shaped light is specially designed for children's bedrooms. It measures 125 mm high, 80 mm long and 50 mm wide, all you have to do is connect its male European plug to the mains! And you can enjoy the peace of mind that it will light up when it detects low ambient light. The life of the LED is 20,000 hours, its power is 0.4W and it needs a 230V power supply. It has IP20 protection, so it is recommended for indoor use. The colour temperature of 4000K and its 8 lumens make it emit a neutral white light at an angle of 100 degrees.
