Descripción del producto

Doris series floor lamp with a black metal structure and 2 glass circles on the top. There are 2 LED bulbs that are integrated into the design. The type of thread used is G9. In its entirety this floor lamp measures 140 cm high x 25 cm in diameter. The protection rating is IP20 so it is recommended for indoor use only. This type of lamp is ideal to accompany the decoration of the living room, near the sofa, in the entrance, or any space in the home where you want to install it. The Doris lamp is minimalist in style so you can combine it with the rest of the furniture in the house.?
