- Diámetro de corte: 75 mm
- Dimensión: 75 mm de corte
- Dimensiones: 90 x 25 mm
- Frecuencia: 50/60 Hz
- Ip: 20
- Led: Integrado
- Lúmenes: 500 Lm
- Material: PC
- Material: PC
- Temperatura: 4000 k

Descripción del producto

The dimmable recessed downlight has a round shape and integrated LED technology. It provides a neutral light tone thanks to its 500 Lm (dimmable) and 4000 K. Made of white aluminium and PC, this wall light has a consumption of 6W. It is ideal for installing in any indoor area, such as stairs, corridors, hallways and other passageways. It has an angle of illumination of 120° and has dimensions of 90 in diameter x 25 mm high, with a cut-off dimension of 75 mm. Its IP protection is 20, its working frequency is 50/60 Hz and its voltage is 230 V. Its useful life is 30000 hours and it includes an installation manual as well as CE & RoHS certificates. A wall dimmer is required to regulate the light intensity.
