Descripción del producto

Extra-flat anti-glare LED downlight. This round recessed light measures 225 x 25 mm. It is made in silver grey colour, in resistant materials such as aluminium and PC. Perfect for installation in ceilings with little space. It needs only a 200 mm hole for its installation. It illuminates at an angle of 100 degrees, with a glare factor of UGR80. IP20, CE & RoHS certified. It is recommended for indoor use in temperatures between -10° and 40°. Includes installation manual and has 50,000 hours of useful life. It illuminates any room comfortably thanks to its 90 LEDs model QINGHUATONGFANG. Available in white colour.
