Descripción del producto

Extra-flat, round LED downlight in silver. For recessing, it measures 121 x 19 mm. A cut-out diameter of 102 mm is required for ceiling installation. Its colour temperature is 4000K, which together with its luminous flux of 600 lumens, makes it emit a neutral white light tone. The beam angle is 140 degrees, perfect for installation in a multitude of spaces! Elegant and modern design, with a life of 50,000 hours!
