

EXTRACTOR FAN FOR SMOKE REMOVAL 17 W

Prendeluz S.L.

Precio: **19,95€**

1000-240 VAC~50-60 Hz

Otras características

- Alimentación: 100-240 VAC/50-60 Hz
- Dimensiones: 82×52×36mm
- Intensidad: 600mA
- Longitud: 82mm
- Numero de tomas: 6
- Potencia: 7 W

Descripción del producto

Universal AC/DC electronic power supply with stabilised voltage, technology used in 7.2 W switching power supplies. It is also protected against short-circuit, overload and overtemperature with 600 mA maximum output current. Its input voltage is 100-240 VAC with a maximum power output of 7.2 W. Suitable for mobile phones, audio equipment, digital cameras and computers with dimensions of 82×52×36 mm.
