Descripción del producto

The silver coloured flexo lamp is a LED table lamp, ideal to be placed in wardrobes, shelves, bed headboard, etc. As the lamp is small (100 x 110 mm) and the clamp has a large grip, it allows you to move freely and thus easily change the illumination area. It has a power of 3 W, low power consumption and long life LED (20000 hours). It is made of PVC, aluminium, iron, rubber and resistant plastic. It projects 300 Lm and has a colour temperature of 6400 K. It has IP20 protection and CE&GS certificates. Its voltage is 230 V, includes electronic adapter and cable with 120/230 V-AC input and 320MA/9.2V-DC output.
