Descripción del producto

Powerful, high speed floor fan. With a power of 100W, it is especially suitable for businesses, commercial premises, warehouses, stores, etc. Its high power and 3 speeds of air flow (RPM 850/950/1050) allow a fast movement, cooling large places. This floor fan has a blade diameter of 45 cm, a height of 55 cm and a weight of 6.6 kg. With a retro design, its grille body effectively protects its 3 metal blades. The safety grille is removable for easy cleaning of the appliance. It is very convenient, as it is adjustable thanks to the nuts on the sides. It has a 230 V power supply and is CE, GS and T?V Rheinland certified. Made of aluminium, it has black plastic protective details.
