## Descripción del producto

Portable fluorescent tube lamp. With a 5 metre long cable, it is finished in a male plug to connect to the mains (voltage 230V). Its fluorescent tube has a colour temperature of 6500K, so it emits a cool white light. It also has a hook at the top for easy hanging. Ideal to take anywhere to illuminate, just press the button on the black handle and you will have a powerful light. Estimated life of 10000 hours, so you'll have a fantastic light for years to come.
