Descripción del producto

Vintage industrial style lamp with a semi-matt gold coloured surface. This spotlight has a power of 6.1W and 230V. It uses the included GU10 bulb and gives a soft yellow light colour. It is made of professional aluminium and measures 100 x 15 mm. Its light intensity is 350 lm and the colour temperature is 2700K. Ideal for living rooms, hotels, dining rooms, bars or shops etc. It can be used both on the ceiling and on the floor, very reminiscent of the spotlights of the 90s.
