

INDUSTRIAL HOOD WITH LED 150W 6500K

Prendeluz S.L.

Precio: **107,45€**

Power supply 230 V

Otras características

- Alimentación: 220 - 240 V
- Color: Plata
- Color de luz: Blanca fría
- Dimensiones: 410 x3 50mm
- Ip: 40
- Longitud: 410mm
- Lúmenes: 20000 Lm
- Material: Aluminio
- Potencia: 200 W
- Temperatura: 6500 K

Descripción del producto

Industrial LED hood. This luminaire is designed to illuminate large areas, for industrial or work use; industrial warehouses, workshops, factories, gyms, car parks, shopping centres, etc. With integrated LED technology (HongLi chip) it emits a cold white light thanks to its 6500 K and its luminous intensity of 15,000 Lm. It has a power of 200W and a power supply of 220 - 240 V. The beam angle is 55° and the colour rendering index (CRI) Ra>80. Made of silver aluminium, its dimensions are 410 mm wide and 350 mm high. The protection rating is IP40. A damp garage will not be a problem. Power factor PF>0.9, working frequency 50/60 Hz. It also has a lifetime of 25000 hours. CE & RoHS certified, recommended for indoor use. Eco model, it has a hook on the upper part for better fastening of the metal shade and structure.
