

IP54 WATERTIGHT SWITCH

Prendeluz S.L.

Precio: **20,45€**

With wind-operated rotating head.

Otras características

Descripción del producto

Figure to scare away birds, pigeons, crows or animals that may be a nuisance. Due to its reflective eyes, the light rays cause the birds to scatter. It also has a rotating head that moves with the wind. It is advisable to change its location from time to time to be more effective.
