## Descripción del producto

Red pendant lamp holder. Simplicity and a touch of colour. Our pendant lamp holder, with E27 socket and 1 metre cable, fits in any room. The base measures 9 cm in diameter by 8 cm high, made of hard plastic. The electric cable is textile, and the cap is designed in silicone. The cap with the lamp holder measures 10 cm long by 4 cm in diameter. Available in different colours. Includes mounting accessories. Maximum power of 60W when used with halogen bulbs. Use it with decorative LEDs to get the best out of it! 230V power supply.
