## Descripción del producto

The LED light for wardrobe is practical and functional. With a power of 2 W, its white light of 7000 K and 150 Lm will help you to find what you are looking for easily in wardrobes, drawers, corridors or kitchens. It can be attached with screws, 3M glue or magnets, as the latter are integrated on the back. It has no cable, so it needs 3 AAA-R03 batteries. Its dimensions are 190 x 34.5 x 19 mm.
