Descripción del producto

Complete LED spotlight. Thanks to its rotating head, this nickel LED spotlight allows you to light in any position, either on the ceiling or on the wall. Ideal for shops, or for other rooms such as bathrooms. It is easy to assemble, as all the accessories are included (GU10 bulb socket). Its colour temperature is 2700 k and its light intensity is 240 Lm. The dimensions of the spotlight are 80 x 130 mm allowing a light aperture of 120 degrees. Made of metal, its colour is nickel. With a power of 3W its consumption is reduced and has a long life (25000 hours).
