Descripción del producto

Atom style ceiling lamp in white. This modern pendant lamp is made with two crossed rings with LEDs (one of 600 mm and the other of 400 mm) held by 4 wires (making a total length of the luminaire of 1200mm). Ideal, due to its neutral tone, for installation in dining rooms, offices, commercial premises, etc., as it provides a modern and innovative look. It is made of aluminium and incorporates integrated LED technology. It has a consumption of 74W and a 230V power supply. It provides a neutral light tone thanks to its 4500 Lm and has a 4200 K colour temperature. It has an IP20 protection index and a useful life of 30,000 hours. It also comes with CE certificate and installation manual. It is recommended for indoor use in temperatures between -20°C to 40°C.
