Descripción del producto

This decorative globe-shaped bulb reveals the filament bulb inside. Eye-catching, this modern and trendy lamp is designed to be used in the home, bedrooms, living room or even in commercial premises, shops or wherever it is convenient. Its figure allows to highlight any space where it is located. You can hang it or screw it into a matching lamp holder. It has a colour temperature of 1800K and a luminous flux of 200 Lm. Compatible with most lamp sockets as it is an E-27 socket bulb. With a power of 4W and a voltage of 230V, it consumes little power thanks to its LED technology.
