Descripción del producto

Vintage LED Globe with Curved Filament, this decorative lamp has an E27 socket. Compatible with most lamps, it is recommended to use this bulb in vintage designs or lamp holders that highlight all its beauty. They are perfect for retro or industrial style pendant lamps that leave the bulb visible. It has a power of 4W, and illuminates with a warm light thanks to its colour temperature of 2700K. It has a beautiful golden shade and a diameter of 125 mm. Its luminous flux is 240 Lumens and the compatible power supply is 230V.
