

## PACK 2 - LED CANDLE E14 A5 C37 4W 3000K 320 LM - EQUIVALENCE 35W

Precio: **6,45€**

- Pack of 2 candle bulbs E14
- Model A5 C37
- Power 4 W, lumens 320 Lm
- Temperature 3000 K, warm light
- Low consumption: has an approximate durability of 25000 hours.

### Otras características

- Alimentación: 230 V
- Dimensiones: D37 x H100 mm
- Lúmenes: 320 Lm
- Potencia: 4 W
- Temperatura: 3000 K

## Descripción del producto

Pack of 2 led candle bulbs, E14 socket. Model A5 C37. Temperature 3000 K, warm color light ideal for your spaces. Energy consumption per 1000 hours: 4kwh/1000h. Beam angle 260° to reach the corners of your home in darkness. Heat conductive material to dissipate heat properly and evenly to increase the durability of the lamps. Transparent housing withstands high temperature without deformation. Low power consumption: Stable voltage, low power consumption, has an approximate durability of 25000 hours.
