## Descripción del producto

Vintage / rustic style ceiling lamp. Made with a resistant hemp rope, on which the bulb hangs, under a transparent glass shade. Materials: bronze coloured metal, amber glass and brown rope. The design allows the bulb to be in full view, ensuring optimal lighting in the room. It has an e27 socket, we recommend the use of a LED filament bulb to enhance the rustic style of the lamp and lower energy consumption (bulb not included). The rosette has a diameter of 100 mm, the lamp has a length of 730 mm long.
