

# POWER CONVERTER 12VDC TO 230VAC POWER 150 W

Prendeluz S.L.

Precio: **76,45€**

Output power 300 W

## Otras características

- Alimentación: 12VDC - 230V
- Color: Gris
- Color: Gris
- Dimensión: 190 x 105 x 60 mm
- Longitud: 190 mm
- Potencia: 300 W

## Descripción del producto

12VDC to 230VAC power converter, with 300 W output power. With protection against overload, overheating, high and low voltage and short circuit. For use in cars, boats, solar energy, wind energy, mobile office, emergency work or at home with dimensions 190 ? 105 ? 60 mm.
