Descripción del producto

Multiple socket with main switch and 6 sockets. Ideal for computer, audio or video equipment. High quality design made of scratch and shock resistant plastic, elegant, modern and compact. It has 6 sockets with grounding plugs in 45° arrangement, to make it easy to fit different types of sockets such as angled sockets. This burglar has an illuminated main switch, with safety On/Off switch. With a practical tab for hanging on one of its sides, and an addition at the bottom that makes it possible to wind the cable around it. It measures 430 x 100 x 65 mm and has IP20 protection. Maximum power of 3500 W, 230 V and 16A. In black and grey, the on switch is green.
