Descripción del producto

Premium Line black and grey plastic multiple socket with 8 sockets switch 3m. Multiple socket with main switch and 8 sockets. Ideal for audio, computer or video equipment. Stylish, modern and compact. It is made of high quality scratch and shock resistant plastic, in black and grey. It has 8 sockets with grounding plugs in 45° arrangement, to facilitate the placement of different types of sockets such as angled sockets. This burglar has an illuminated main switch in green colour, with safety On/Off switch. With a practical tab for hanging on one of its sides, and an addition at the bottom that makes it possible to wind the cable around it thanks to a Velcro strap. It measures 520 x 100 x 70 mm and has IP20 protection. Maximum power 3500 W, 230 V and 16A / 50 Hz.
