## Descripción del producto

LED wall light, made of aluminium and flat rectangular shape. It is perfect for use over bathroom mirrors, furniture or even over a painting, etc. It has a power of 12 W, and its IP44 protection rating makes it resistant in places with humidity or water condensation. Its powerful SMD LED has a useful life of 25000 hours of operation. In metallic colour, it measures 600 x 106 x 42 mm. Its luminous intensity is 1000 Lm, and its colour temperature is 6500K, which makes it emit a cold white light.
