Descripción del producto

LED wall light, with a square shape, this flat wall light is black. With LED technology it includes two lights, so the light output is double. The power of each LED is 3W, its voltage is 230V 50 Hz and it has 60 mA. Thanks to its IP54 protection it is recommended for outdoor use, as it is resistant to moisture and dust. This elegant wall light is perfect for entrances, balconies, terraces and porches. It has a colour temperature of 3200 K and a luminous flux of 540 lm. So it projects a warm white light. Its power factor is >0.5 .
