

# REPEATED FOR 700001 - DIGITAL TESTER WITH FREQUENCY METER

METER S.L.

Precio: **23,45€**

Reading scale voltage measurement dc 200 mv, 200 V, 1000 V.

Otras características

## Descripción del producto

Multimeter also known as a tester, ideal for electrical measurements such as currents and potentials.

[Repeated for 700001 - Digital tester with frequency meter](#)
