

# RIGID UTP CABLE FOR CONNECTION

Prendeluz S.L.

Precio: **39,95€**

Category 6

## Otras características

- Color: Gris
- Frecuencia: 250MHz
- Longitud del cable: 100metros
- Material: PVC retardante- HDPE -CCA- PE

## Descripción del producto

Rigid UTP patch cable for data transmission, category 6. It comes in a 100 metre reel, AWG 24 gauge, grey colour and PVC retardant material to make it safer. The conductor material is CCA, the dielectric material is HDPE, the number of pairs is 4 twisted pairs and the separator material is PE. The frequency is up to 250MHz.
