

ROLL 50M - RGB 220VAC SMD5050 FAST 14,4W/M LED STRIP

Precio: **179,95€**

- Roll of 50 meters of LED strip with transparent finish. With cut every 100 cm
- Wavelength R-620-630/ G510-525/ B455-470 nm
- Specifications: 14.4W per meter, 170 - 265 V AC power supply, SMD 5050 light source
- Suitable for outdoor use IP65 protection rating

Otras características

- Alimentación: 170 - 265 vac
- Color de luz: RGB
- Ip: 65
- Potencia: 14.4 W

Descripción del producto

Roll of 50 meters of LED strip with transparent finish. Provides RGB light tone, SMD 5050 light source. Angle 120°, useful life 30000 hours. Power of 14.4 W per meter, power supply 170 - 265 V AC. Wavelength R-620-630/ G510-525 / B455-470 nm. Can be trimmed every 100 cm. You can decorate outdoors by having IP65 protection rating, avoid splashing water, dust and moisture.
