Descripción del producto

Round LED wall light with a ball shape. Thanks to its shape it projects a warm light in 4 directions, making it a modern wall light ideal for installation on facades, passageways etc... It has 4 integrated 3W LED technology and a voltage of 230V. Measuring 90 x 115 mm it is manufactured in white and aluminium, has IP54 protection and CE & RoHS certificates, making it perfect for both indoors and outdoors. With 900 lumens and 3000 K, it illuminates at 45° per hole. Its useful life is 50,000 hours and it is recommended for use in temperatures between -20° to 50°c.
