Descripción del producto

Vintage ceiling lamp. Composed of a 1.50 metre long, braided, heavy-duty brown cord, adjustable and can be knotted. With a black cap / bulb holder E-27, of 6 cm which is hidden behind the rope, and a black metal base of 10 cm of diameter, which is fixed to the ceiling . We recommend the use of globe or vintage bulbs to enhance its rustic style. Valid for 220-240 V power supply, it has an intensity of 60W. It includes instructions, screws and screws for its fixation to the ceiling. Very easy to install.
