Descripción del producto

Purple Pendant Lamp Holder. Our pendant lamp holder uses E-27 socket, so it is compatible with most standard bulbs. With a metre-long textile cord, its purple colour matches any room. Available in different colours. Base measures 9 cm in diameter by 8 cm high, made of hard plastic. The cap with the lamp holder measures 10 cm long by 4 cm in diameter and is made of silicone. Includes mounting accessories. Maximum power 60W when used with halogen bulbs. Use it with decorative LEDs to get the best out of it! 230V power supply.
