Descripción del producto

Black wall spotlight, with switch. Ideal for bedside tables and bedrooms. This wall light is made of black aluminium, square shaped and measures 100 x 106 x 160 mm. The lamp holder uses a GU10 socket (bulb not included). On its base there is a practical button for switching the luminaire on and off. The maximum output is 50 W and the voltage is 220-240 V. With IP20 protection and CE & RoHs certificate, it is suitable for indoor use. A manual is provided for easy installation.
