Descripción del producto

LED selfie ring light, portable light for mobile phone. This powerful 2W ring light illuminates brightly thanks to its 36 LED lights. Multifunction, with 3 levels of illumination. It can be used as a simple torch or a small emergency lamp, to enhance your photos, whether it's a selfie or a landscape photo, taking pictures at night will be no problem. It is suitable for all mobile phones, tablets and quite easy to carry. With wide lens for a wider shooting angle, such as groups of people, buildings. Attaches to the screen easily thanks to its clamp. Simple to use, just press the button on the back to turn it on, white in colour. Its dimensions are 86 x 27 mm, with a weight of 48g. Includes USB cable (5V 200Ma) for recharging from the mains, with a pilot light to indicate charging. The integrated battery is 1.5V*2.
