## Descripción del producto

The E27 decorative wall light consists of a base and shade made of white aluminium. Its functional design favours efficient lighting and the gold-coloured metal bar that connects the two parts allows the light to be directed to the desired location. The decorative cable in grey gives it an ideal touch for interiors such as bedrooms, living rooms, offices, etc. The maximum power is 25 W, the voltage is 220 V, the dimensions of the base on the wall are 100 mm, that of the wall lamp 136 mm. The dimensions 166 mm long x 168 mm wide. It has IP20 protection and CE certificate.
