## Descripción del producto

Wooden pendant lamp. This striking LED ceiling light is perfect for decorating any space, adding a natural touch. With a rectangular wooden body, it is suspended by two points. It projects the light upwards with 10 W of power and downwards with 40 W, illuminating with a warm light thanks to its 3500 Lumens and 3000K colour temperature. It looks perfect on dining tables or kitchen bars. It has a voltage of 230 V, its angle of illumination is 120° and it has IP20 protection. It measures 1500 mm in height and 1200 mm in length, while the width is 60 mm. It is recommended for indoor use in temperatures between -20°C to 40°C. It provides long-lasting light thanks to its 20,000 hours of useful life! Includes assembly instructions, CE certificate and can be combined with our other wooden products.
